Profile

Looking for an opportunity to learn and contribute as a junior developer after 10+ years in leadership positions in the construction industry before deciding on a career change.

Spent the last 4 years in school and self-taught, developing skills to become an effective and valued team member.

Always striving to improve further, with a willingness to learn new skills and technology as needed.

Education

Computer Programming & Analysis Advanced Diploma

09/2018 – 12/2020

Seneca College – Toronto, Ontario

Graduated with Honors and 3.8 GPA

Projects

CampNS

Links: <https://campns.herokuapp.com/> , <https://github.com/KMyers292/CampNS>

Environment: JavaScript, Express.js, Node.js, EJS, NoSQL

- Learned to build a full-stack website by creating a site that showcases the best places to camp and stay in the outdoors in Nova Scotia.
- Full CRUD capabilities with a database hosted through MongoDB.
- Worked with weather and yelp APIs to provide accurate forecast and nearby activities for each campground.
- Learned how to create a simple login/logout system with basic security measures.

ShopNS

Links: <https://shopns.herokuapp.com/> , <https://github.com/KMyers292/ShopNS>

Environment: React / Redux, JavaScript, Express.js, Node.js, NoSQL

- Learned React and Redux by creating a mock e-commerce site that displays local items from around Nova Scotia.
- Created an API from scratch for the backend that has full CRUD capabilities with a database hosted through MongoDB.
- Learned to develop a fully functioning shopping cart and checkout system with the PayPal API.
- Created basic sorting and search functionality.

Work Experience

Plant Operator

Stella Jones – Stouffville, Ontario

10/2016 – 09/2018 – 05/2020 – 08/2021

- Ran and maintained pressure treating plant as generally the sole operator.
- Adhered to and surpassed extremely tight deadlines, becoming the highest producing plant in Canada.
- Worked with and trained new employees on computer system used to control plant.
- Trained new employees for various jobs around the site.

Lead Hand Scaffolder

Panels & Pipes – Fort Mackay, Alberta

02/2014 – 01/2016

- Worked both as a small team and independently to complete projects within tight deadlines.
- Responsible for always ensuring the safety and efficiency of the team as the lead hand.
- Coordinated with outside contractors keeping everything running smoothly.

Warehouse Supervisor

Home Hardware – Jeddore, Nova Scotia

02/2008 – 09/2016

- Supervised a small team of people to ensure orders were being completed correctly and on time.
- Responsible for all training of any new employees.
- Ensured warehouse stock was accounted for and depleted stock was ordered on time.
- Worked with customers to make sure their needs were met and made recommendations when necessary.
